Holy Spirit Power - Why Do We Need It?

1. Why do we need spiritual power?

2. The readings for the service were as follows:

- Old Testament - Isaiah 61:1-3
- Epistle - Ephesians 1:15-23
- Gospel - Luke 11:1-13

How did these passages speak to you about the seven challenges in the Holy Spirit from the sermon run sheet?

3. Read Acts 13:1-12

a) What is the role of the Holy Spirit in these verses?

b) Could Paul's actions in silencing Elymas be seen in any way as prescriptive for today?

c) Can you think of any other Bible passages which talk about repelling darkness in order to grow the Kingdom of God?

4. Read 2Cor 10:4

a) How exactly do we demolish strongholds?

b) What is one practical way we can more effectively use the spiritual weapons that we have been given?
